To Whom It May Concern:

I am writing in reference to Docket No. 92-90, Telephone Consumer Protection Act of 1991. As a residential real estate sales agent for Concept 100 Real Estate, Inc., Lancaster, PA, I rely heavily on the telephone for person-to-person solicitations for both marketing as well as my business development. Imposing restrictions on my ability to use the telephone for my business would create a severe hardship in my ability to do a good job for those who hire me to market their properties, as well as in developing my own business.

I implore you to consider the importance of my being able to use the telephone without restrictions on person-to-person solicitation of residential properties when drafting your regulations to implement the Telephone Consumer Protection Act of 1991.

Sincerely,

Margaret J. Week
